

JC Trail Users

Notes from September 19, 2018 Meeting
1017 Holly Dr.

Attending: Kathleen Henley, Celeste Koon

1. Given the poor attendance, Celeste will check with the group to see if there is a better day of the week and time for meetings, or whether the group wants to meet at an eating place. Then another meeting toward the end of October will be scheduled.
2. Kathleen gave out a paid membership list. There were no changes since last month. She also gave the treasurer's report. The checking account has \$183.75
3. Celeste reported that there are now 87 members of the Facebook group.
4. There is still no news about the ORTA grant application.
5. The September 15 rock painting event seemed to be a success. Anita Randolph and Karen Dunkle staffed a table and talked to more than 25 people. Anita and Karen enjoyed it and said some people were interested. They were interviewed by the News Tribune though no article was published.
6. The October 20 fundraiser at the River City Festival in North Jefferson City was discussed in detail. Celeste and Kathleen had fun talking about it! The festival committee will work more on this on September 30. Many nice photos were sent for the group to use at this fundraising event.
7. A trail hike to look at trail improvements at Frog Hollow will be held on November 11 at 1:30 pm. Most of the improvements suggested last January on a similar hike have already been completed.
8. The group sent a survey federal and state candidates running for election in November. No replies were received. Celeste will write a short article on this for the website.
9. Trail maintenance is going well at Frog Hollow. A work session at the Clark Norton Historic Site trail may be announced on the group's Facebook page by a person who is trying to organize this to get rid of bush honeysuckle.
