

Jefferson City Trail Users

Notes from the January 13, 2021 Meeting

Subway on West Edgewood

Attending: Lori Henley, Kathleen Henley, Brandy Bergthold, Celeste Koon

1. Kathleen Henley reported the treasury balance is now \$509.70 and membership is the same as previously.
2. There are currently 219 members in the Facebook group.
3. Fundraising was done on Facebook this year since most festivals were cancelled. About \$100 was raised through picture sales and donations. More pictures will need to be prepared for next September when the group has a table at the University Extension's Fall Festival. More pictures will need to be solicited from members. More well-known scenic locations are needed and fewer pictures of trees!
4. Celeste did not receive a definite date from Parks for when the trail conditions sign that the Trail Users funded will be installed. Also, no further information was available about the fire station trail.
5. The Three Creeks Get Acquainted Hike will be held on January 16. The next Get Acquainted hike after that will be on February 13 at 1:00 pm at the Missouri Department of Conservation Headquarters. And there will be a Get Acquainted hike to Earthquake Hollow at 1:00 pm on March 13.
6. The group discussed several ideas for fun activities in the future. Covid makes it difficult to plan and some ideas will be postponed. However, some type of "JC Trails Challenge" with rewards and a drawing for swag is in the works! April through June was suggested. The details will be worked out at the next meeting.
7. The next meeting date will be February 10th, from 6-7 pm at Subway on West Edgewood.
